

AI-POWERED SCHOOL MANAGEMENT

Run your whole school from one simple app

Students, fees, attendance, results and parents — all in FacetEdu, with your first term free.

THE EVERYDAY STRUGGLE

Running a school shouldn't mean chasing paper

Registers that get lost

Attendance sits in exercise books nobody can search.

"Who still owes fees?"

Payments are spread across notebooks, receipts and bank alerts.

Report cards take weeks

Teachers add up scores by hand and write every comment.

Parents keep calling

Every question about results or fees lands on the office phone.

ONE PLATFORM

Everything your school runs on, in one place

Teaching

Classes and timetable
Attendance
Gradebook and results
Admissions
Library

Money

Fees and pay links
Part payments
Payroll
Accounting
Budgets

Running the school

Staff records
School bus
Inventory and assets
Messages to parents
Multiple branches

Boarding and welfare

Hostel and roll call
Gate passes
Pocket money
Tuck shop
School clinic

Switch on only what your school needs. A small day school stays simple.

FEES

Know who has paid, without opening a notebook

Every pupil gets a term invoice. Parents pay online, and the books update themselves.

Pay link sent to every parent

Part payments with the balance shown

Receipts emailed the moment they pay

Who still owes, by class, at a glance

RESULTS

Report cards in hours, not weeks

1

Teachers enter scores

Each subject teacher fills their own class, from any phone.

2

FacetEdu does the sums

Totals, averages and positions are worked out for you.

3

AI drafts the comments

Report comments and term summaries are written for teachers to check.

4

Release to parents

One click, and every family can view and download the report card.

PARENT AND STUDENT PORTAL

Fewer calls to the office. Happier parents.

Results

Report cards as soon as you release them.

Attendance

Parents see when their child was absent.

Fees and notices

What they owe, what they paid, and school news.

Email to parents is free. SMS and WhatsApp may cost extra, depending on the provider.

BUILT FOR REAL CONDITIONS

Works on slow networks, and when there is no network

Keeps working offline

Take attendance, hostel roll call and library loans with no data. They send when you are back online.

Installs like an app

Add it to any phone or computer. No app store needed, and it stays signed in.

Fast on slow data

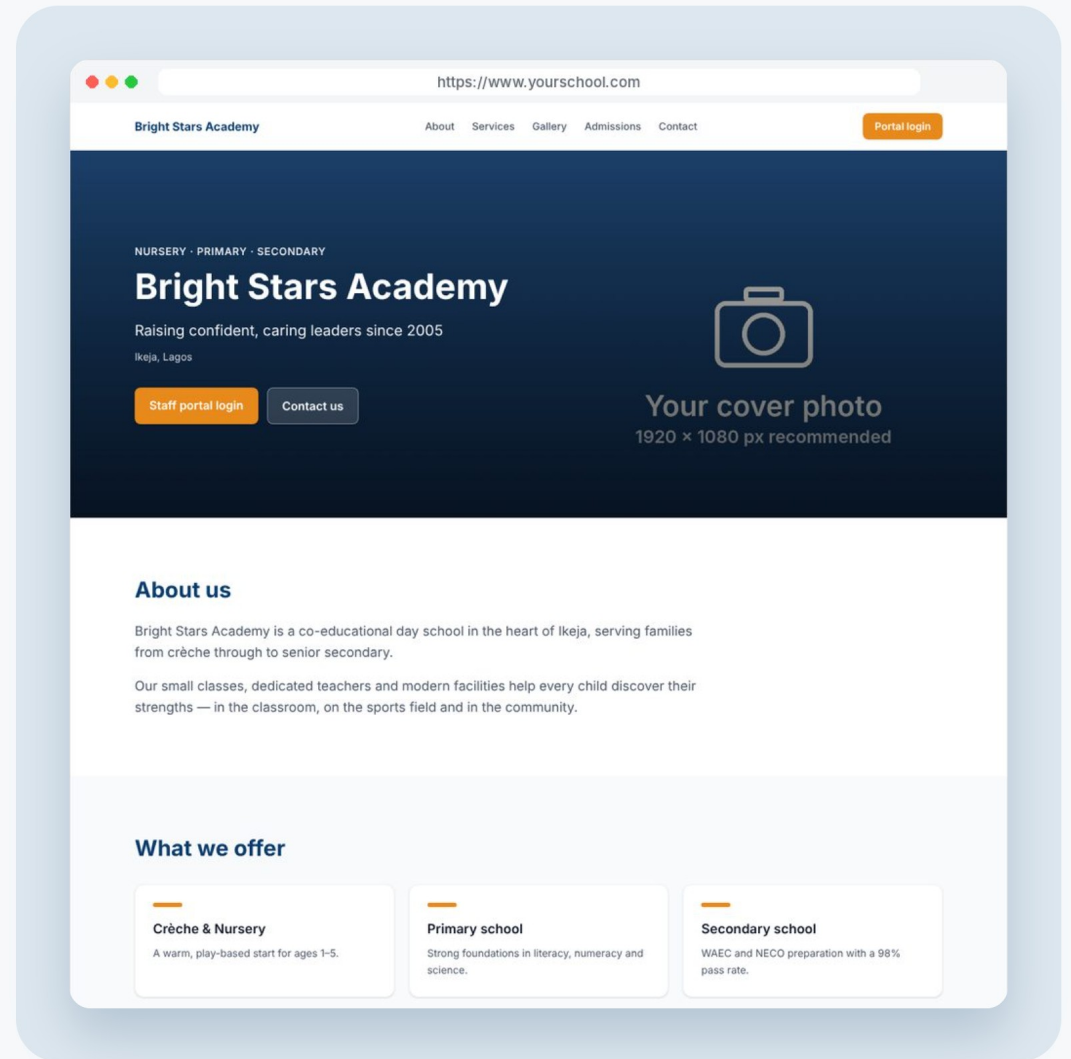

Pages are made light and tested on slow mobile connections.

SCHOOL WEBSITE

A school website, ready from day one

Your about page, admissions, gallery and contact details, with a portal login for staff and parents. It updates from the same place you run the school.

Want your own address? Use www.yourschool.com, without the FacetEdu footer, for ₦30,000 a year.
